Naprapathic Pledge of Commitment

Affirm your commitment to provide compassionate, quality care as members of the naprapathic medical profession, in an effort to instill loyalty and strengthen the profession, we recall the tenets on which this profession is founded: the dynamic interaction of mind, body and spirit; the body's ability to heal itself; the primary role of the musculoskeletal system; and preventive medicine as the key to maintain health. We recognize the work our predecessors have accomplished in building the profession, and we commit ourselves to continuing that work.

I pledge to:

- Provide compassionate, quality care to my patients;
- Partner with them to promote health;
- Display integrity and professionalism throughout my career;
- Advance the philosophy, practice and science of naprapathic medicine;
- Continue life-long learning;
- Support my profession with loyalty in action, word and deed; and
- Live each day as an example of what a naprapathic doctor should be.
